SHORT STATEMENT OF PRINCIPLES.

THIS SOCIETY differs in its Principles from any other Office.

Instead of charging rates admittedly higher than are necessary, and afterwards returning the excess, or a portion of it, in the shape of Periodical Bonuses, it gives from the first as large an Assurance as the Premiums will with perfect safety bear—reserving the Whole Surplus for those who live long enough to secure the Common Fund from loss.

A Policy for £1200 to £1250 may thus in most cases be had for the Premium usually charged for £1000 only; while, by *reserving* the surplus, large additions may be expected on the Policies of those who live to participate. In a few cases, Policies sharing at the whole four divisions have already been doubled.

ITS TERMS are thus well calculated to meet the requirements of intending Assurers. They are specially adapted to the case of Provisions in Family Settlements, or otherwise, where it is of importance to secure, from the first, for the smallest present outlay, a competent provision, of definite amount, in the case of early death.

Annual Premiums for £100 at Death (with Profits).

AGE.	25	30	35	40	45	50
Payable during life	£1 18 0	£2 1 6*	£2 6 10	£2 14 9	£3 5 9	£4 1 7
Limited to 21 payments . . .	2 12 6	2 15 4	3 0 2	3 7 5	3 17 6	4 12 1

* A Person of 30 may thus secure £1000 at Death, by a yearly payment, DURING LIFE, of £20, 15s. This Premium, if paid to any other of the Scottish Mutual Offices, would secure £800 only, instead of £1000.

At age 40 the Premium *ceasing* at age 60 is, for £1000, £33, 14s. 2d., being about the same as most Offices require to be paid during the whole term of life.

The 38th Annual Meeting was held on 29th March 1876.

The Report was stated to be the most favourable yet submitted. The New Business was—1928 Policies, assuring £1,091,762, 10s., being £40,000 above the ordinary Business reported last year. The Premiums received (after deducting re-Assurances) were £296,487, 10s. 3d. The total Receipts of the year were £408,848, 7s. 6d. The Subsisting Assurances were 21,294 in number, assuring £10,661,413, 15s. 8d.

The Deaths in the year were 237. The claims (under 302 Policies), after deducting a portion covered by re-Assurances, amounted to £163,936, 1s. 10d., in both cases greatly under the estimated amount.

The Realized Fund at close of the year was £2 648,886, 15s. 5d., the increase in the year being no less than £229,881, 17s. 7d. The Fund now exceeds £2,700,000.

Full STATEMENTS of PRINCIPLES will be found in the ANNUAL REPORTS.

EXPLANATION.—In the Left-hand Table are the years of the Century, and above each is the Dominical Letter corresponding with that Year. Then, opposite to the Month, at the foot of the Right-hand Table, will be found a corresponding Letter, over which are placed the Days of the Month and Week for that Month (distinguishing the Sundays by a different type). Each Blank Space in the Left-hand Table shows the Year following to be Leap Year; and as every Leap Year has two Dominical Letters, the Letter above the *Blank Space* must be used for January and February in every Leap Year; and for the other months, use the Letters belonging to the respective Years. By transposing the Dominical Letters, this Calendar would answer for any Century.

RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

INLAND LETTERS.

The prepaid rates of postage are as follows, viz.:—

For a letter not exceeding 1 oz.,	1d.
" above 1 oz. but not exceeding 2 oz.,	1½d.
" " 2 oz.,	4 oz., 2d.
" " 4 oz.,	" 6 oz., 2½d.

" " 10 oz.,	" 12 oz., 4d.

A letter exceeding the weight of 12 oz. is liable to a postage of 1d. for every ounce, beginning with the first ounce. Thus a letter weighing between 14 and 15 ounces must be prepaid 1s. 3d.

A letter posted unpaid is chargeable on delivery with double postage; and a letter posted insufficiently prepaid is chargeable with double the deficiency.

No letter may exceed the dimensions of 18 inches in length, 9 inches in width, and 6 inches in depth, unless it be sent to or from one of the Government offices.

COLONIAL AND FOREIGN LETTERS.

The rates of postage on letters to foreign countries and the colonies are entered in the Table of Foreign and Colonial Postage.

To some countries prepayment is compulsory, and to some the whole of the postage cannot be prepaid.

A letter posted unpaid, or paid only in part, directed to go by a route by which prepayment is compulsory, is returned to the writer, unless there is another route to send it by which prepayment is not required. Letters, however, for Australia and New Zealand, if prepaid as much as one rate (even though the prepayment be insufficient), are forwarded, charged with the deficient postage and an additional rate.

A letter posted insufficiently prepaid for a place to which prepayment is optional is sent forward charged, the value of the stamps, however, being, as a rule, taken into account.

The following are the charges made on delivery at the under-mentioned places upon letters posted unpaid (wholly or in part):—

1s. each in addition to the deficient postage.

British West Indies.	Hong Kong.	Natal.	St Croix.	St Thomas.
Cape of Good Hope.	Labuan.	Penang.	St Helena.	Singapore.
China.				

9d. each in addition to the deficient postage.

Ceylon. | India.

8d. per $\frac{1}{2}$ oz., minus the value of any stamps affixed.

Cape de Verd Islands.

6d. each in addition to the deficient postage.

Bermuda, <i>via</i> New York or Halifax.	Cape Coast Castle.	Gambia.	Lagos.	Sierra Leone.
	Falkland Islands.	Gold Coast.	Mauritius.	

3d. each in addition to the deficient postage.—Newfoundland.

Double the prepaid rate, minus the value of any stamps affixed.

Austria.	Gibraltar.	Portugal.
Azores.	Greece.	Prince Edward Island.
Belgium.	Holland.	Smyrna.
Beyrout.	Italy.	Spain.
Canada.	Madeira.	Sweden.
Canary Islands.	Majorca.	Switzerland.
Constantinople.	Minorca.	Tangier.
Denmark.	Malta.	Tunis.
Egypt.	New Brunswick.	Turkey.
France and Algeria.	Norway.	United States.
Germany.	Nova Scotia.	

The same rates are chargeable in this country upon unpaid or insufficiently paid letters received from the above-named places, with the exception that letters from China are charged the prepaid rate only.

No letter for any colony or foreign country may be above 2 feet in length, or 1 foot in width or depth.

Letters not specially directed by a particular route are forwarded by the route immediately following the name of the place in the Table of Colonial and Foreign Postage:

Exceptions.—1. Letters for Aden and India are sent by the first mail despatched by British packet, either *via* Brindisi or *via* Southampton, according to the route indicated by the postage; letters for Borneo, Ceylon, China, Japan, Java, Labuan, Penang, Philippine Islands, and Singapore, are sent by first packet, whether British or French, according to the route indicated by the postage.

2. Letters for Canada posted after the despatch of the mail by Canadian packet on Thursday, are forwarded *via* the United States on Saturday.

3. Letters, etc., for New Brunswick, Nova Scotia, and Prince Edward Island, posted after the despatch of the mail *via* Halifax, are forwarded by the Canadian Packet.

4. Letters for the Argentine Confederation and Uruguay are sent in the first mail despatched by British or French packet after the time of posting; those for Brazil, Hayti, and the United States of Colombia, and Venezuela are sent by the first packet whether *via* Southampton or Liverpool. Those for Cuba are sent in the mail *via* France, if such be the first mail, and those for Mexico by the first packet, irrespective of route.

Letters for Brazil, Monte Video, Peru, and Chili, if specially directed '*by Supplementary Mail via Bordeaux*,' and posted in time for despatch from London by the day mail of Friday, will in due course overtake, at Bordeaux, the packet despatched from Liverpool on the previous Wednesday. The postage *via* Bordeaux is the same as *via* Liverpool.

Letters for such places in Turkey and Asia Minor as have no Austrian Post Office should be addressed to the care of an agent residing in the nearest port at which an Austrian Post Office has been established. It is recommended also that any letters for Erzeroum and other parts of the interior of Armenia, or for Persia, be addressed to the care of some agent at Samsoun or Trebizond, to be forwarded to their destination. Letters for places in the Persian Gulf are forwarded *via* Bombay, if specially directed by that route and prepaid the Indian rate of postage.

Letters for Russia should have the name of the town added in either English, French, or German; and if for the smaller towns in Russia, they should bear as a part of their address the name of the province or government in which they are situated.

INLAND CARD POST.

Post Cards, whether official or private, which bear a halfpenny impressed stamp, are available for transmission between places in the United Kingdom.

The front (or stamped) side is intended for the address only. There must be nothing else written, printed, or otherwise impressed on it, nor must there be any writing or printing across the stamp. On the reverse side any communication, whether of the nature of a letter or otherwise, may be written or printed. Nothing whatever may be attached; nor may the card be folded, cut, or otherwise altered. If any of these rules be infringed, the card will be charged 1d. on delivery.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, Post Cards may be kept back until the next despatch or delivery.

No card other than one of those issued by the Government, or a private card impressed with the halfpenny stamp, will pass under a halfpenny stamp, if it bear on it a written communication of the nature of a letter.

Post Cards are sold at the rate of 7d. and 8d. per dozen.

For information as to the conditions under which

private cards are impressed with a halfpenny stamp, application must be made to the office of Inland Revenue.

FOREIGN POST CARDS.

These Post Cards are intended for transmission to Foreign Countries comprised within the General Postal Union, and are sold at 1½d. each.

INLAND NEWSPAPERS.

Under the Post Office Act, 1870, any publication fulfilling the conditions hereafter named can, upon payment of an annual fee of 5s., be registered at the General Post Office to pass within the United Kingdom as a newspaper for a postage of one halfpenny. Without such registration no newspaper is entitled to be sent through the post at less than the book rate of postage.

Registration for inland circulation includes registration for transmission abroad.

The conditions are as follows:—

1. The publication must consist wholly or in great part of political or other news, or of articles relating thereto, or to other current topics, with or without advertisements.

2. It must be printed and published in the United Kingdom, must be published in numbers at intervals of not more than seven days, and must be printed on a sheet or sheets unstitched.

3. The full title and date of publication must be printed at the top of the first page, and the whole or part of the title and the date of publication at the top of every subsequent page; and this regulation applies to 'Tables of Contents' and 'Indices.'

4. A supplement must consist wholly or in great part of matter like that of a newspaper, or of advertisements, printed on a sheet or sheets, or on a piece or pieces of paper, unstitched; or wholly or in part of engravings, prints, or lithographs illustrative of articles in the newspaper. The supplement must in every case be published with the newspaper, and must have the title and date of publication of the newspaper printed at the top of every page; or, if it consist of engravings, prints, or lithographs, at the top of every sheet or side.

For each newspaper, whether posted singly or in a packet, the postage, when prepaid, is one halfpenny; but a packet containing two or more registered newspapers is not chargeable with a higher rate of postage than would be chargeable on a book packet of the same weight—viz. one halfpenny for every 2 oz. or fraction of 2 oz.

A newspaper posted unpaid, and a packet of newspapers posted either unpaid or insufficiently paid, will be treated as an unpaid or insufficiently paid book packet of the same weight.

The postage must be prepaid either by an adhesive stamp or by the use of a stamped wrapper.

No newspaper can be sent through the post a second time for the original postage; for each transmission a fresh postage is required.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination. If this rule be infringed, the newspaper or packet will be treated as a letter.

Every newspaper must be so folded as to admit of the title being readily inspected.

A newspaper posted singly, or a packet of newspapers, which contains any enclosure except the supplement or supplements belonging to it, is charged as a letter, unless the enclosure be such as might be sent at the book rate of postage, and the entire packet be sufficiently prepaid as a book packet, in which case it is allowed to pass.

A newspaper which has any letter, or any communication of the nature of a letter, written in it or upon its cover, will be charged as an unpaid or insufficiently paid letter.

No packet of newspapers must exceed 14 lbs. in weight, nor may it exceed 2 feet in length or 1 foot in width or depth.

COLONIAL AND FOREIGN NEWSPAPERS.

The rates of postage to the colonies and foreign countries on newspapers registered for transmission abroad will be found in the Table of Colonial and Foreign Postage. Each newspaper is liable to a separate rate of postage, whether sent singly or in a packet; and if above 4 oz. in weight, it is liable to two rates of postage, and so on.

The conditions of registration for transmission abroad are the same as those for inland transmission; excepting that for foreign transmission a newspaper may be published at intervals of thirty-one days, and that it may be printed (but not its supplement) on sheets stitched together. Moreover, 'prices current' and 'market reports,' but not private price-lists or trade catalogues, are admitted to the same privileges as newspapers for foreign transmission, provided they are published at intervals not exceeding thirty-one days.

Publications registered for transmission abroad must be posted *within eight days* from the date of publication, including the day of publication.

The collected numbers issued during the month of a weekly, fortnightly, tri-monthly, etc., publication will not be allowed to pass as a monthly publication.

The postage must be prepaid with postage labels only.

Every newspaper or packet of newspapers must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of easy removal for examination.

Every newspaper must be so folded as to admit of the title being readily inspected.

No newspaper, whether posted singly or in a packet, may contain any enclosure except the supplement or supplements belonging to it.

There must be no writing or other mark on a newspaper sent abroad but the name and address of the person to whom it is sent; nor anything on the cover but such name and address, the printed title of the publication, the printed name and address of the publisher or vendor who sends it, and words indicating the date on which the subscription to the newspaper will end.

No packet of newspapers must exceed 2 feet in length or 1 foot in width or depth. For limit of weight, see Table of Colonial and Foreign Rates.

It is forbidden to introduce into Russia, through the post, political newspapers, in covers open at the ends or sides; and the only means by which persons residing in Russia can obtain newspapers from the United Kingdom is by subscribing for them at one of the Russian Post Offices. This prohibition does not, however, extend to political newspapers, or any other publication, addressed to members of the Royal Family of Russia, the Imperial Ministers, or members of the Diplomatic Corps. The admission into Russia even of newspapers not of a political character, is permitted only when they are addressed to the house of some established bookseller, to the higher schools, to the Imperial Public Library, or to the Academy of Sciences in Russia. Printed prices current, however, as well as printed circulars, in covers open at the ends or sides, are allowed to be addressed to any persons residing in Russia.

INLAND BOOK POST.

A book packet may contain any number of separate books or other publications (including printed or lithographed letters), photographs (when not on glass or in cases containing glass or any like substance), drawings, prints, or maps, and any quantity of paper, or any other substance in ordinary use for writing or printing upon; and the books or other publications, prints, maps, etc., may be either printed, written, engraved, lithographed, or plain, or any mixture of these. Further, all legitimate binding, mounting, or covering of a book, etc., or of a portion thereof, is allowed, whether such binding, etc., be loose or attached; as also rollers in the case of prints or maps, markers (whether of paper or otherwise) in the case of books, pens or pencils in the case of pocket-books, etc., and, in short, whatever is necessary for the safe transmission of such articles, or usually appertains thereto; but the binding, rollers, etc., must not be sent as a separate packet.

Circulars—i.e. letters which are intended for transmission in identical terms to several persons, and the whole or the greater part of which is printed, engraved, or lithographed, may also be sent by book post.

The postage is one halfpenny for every two ounces or fraction of that weight.

A packet posted wholly unpaid will be charged with double the book postage; and if posted partially prepaid, with double the deficiency.

Every book packet must be posted either without a cover or in a cover entirely open at both ends, and in such a manner as to admit of the contents being easily withdrawn for examination; otherwise it will be treated as a letter.

A book packet may not contain any letter, or communication of the nature of a letter (whether separate or otherwise), not being a circular letter or not wholly printed, nor any enclosure sealed or in any way closed against inspection, nor any other enclosure not allowed. (Entries, however, merely stating who sends the book, etc., or to whom it is given, are not regarded as a letter.) If this rule be infringed, the entire packet will be charged as a letter.

No book packet may exceed 5 lbs. in weight, or 18 inches in length, 9 inches in width, and 6 inches in depth.

When, owing to a great and unusual influx of letters, books, etc., the transmission or delivery of the letters would be delayed if the whole mail were dealt with without distinction, book packets may be kept back till the next despatch or delivery.

COLONIAL AND FOREIGN BOOK POST.

The rates of postage on book packets to the colonies and foreign countries are given in the two following tables, as also in the Table of Colonial and Foreign Postage.

Every book packet must be posted either without a cover or in a cover entirely open at both ends, so as to admit of the contents being easily withdrawn for examination; otherwise it is treated as a letter. For the greater security of the contents, however, it may be tied at the ends with string.

The conditions specified in the first paragraph under 'Inland Book Post' are applicable to places abroad, with the exception of water-coloured drawings to France or Algeria.

No writing or manuscript mark, however, beyond the name and address of the person to whom it is sent is admissible in or upon a packet forwarded *via* France to the Argentine Confederation,

Bolivia, Chili, Cuba, Ecuador, Hayti, Mexico, Paraguay, Peru, Porto Rico, St. Thomas, Uruguay, United States of Colombia, or Venezuela.

The limit of size for a book packet addressed to any place abroad is 24 inches in length and 12 inches in width or depth.

COLONIAL AND FOREIGN PATTERN AND SAMPLE POST.

There is a Pattern and Sample Post to such colonies and foreign countries as are marked in the Table of Colonial and Foreign Postage with the letter 'P;' but it is restricted to *bonâ file trade patterns or samples of merchandise*. Goods sent for sale, or in execution of an order (however small the quantity may be), or any articles sent by one private individual to another which are not actually patterns or samples, are not admissible.

The rates of postage are the same as for Book Packets.

Patterns or samples, when practicable, must be sent in covers open at the ends, and in such a manner as to be easy of examination. But samples of seeds, drugs, and such like articles, which cannot be sent in covers of this kind,—but such articles only,—may be posted enclosed in boxes or in bags of linen or other material, fastened in such a manner that they may be readily opened; or, in the case of samples of seeds, etc., for the United States of America, Holland and its possessions, Belgium, Denmark, Greece, Portugal and its possessions, and Switzerland, in bags entirely closed, provided such closed bags are transparent, so as to enable the officers of the Post Office readily to satisfy themselves as to the nature of the contents.

There must be no writing or printing upon or in any packet except the address of the person for whom it is intended, the address of the sender, a trade mark or number, and the price of the articles.

A packet of patterns or samples sent to Portugal, Madeira, the Azores, Cape de Verdes, France, or to Turkey, Syria, or Egypt, by French packet, must not exceed 18 inches in length, width, or depth; a packet to any other place abroad must not exceed 24 inches in length or 12 inches in breadth or depth.

Samples of intrinsic value must not be sent to any foreign country; and in the case of France, samples of eider down, raw or thread silk, woollen or goats' hair thread, vanilla, saffron, carmine, or isinglass, are considered to fall under this rule, if they weigh more than three ounces. Raw and spun silk, as well as coloured and twisted silk, may be sent to Germany up to the same weight.

Such articles as scissors, knives, razors, forks, steel pens, nails, keys, watch machinery, metal tubing, pieces of metal or ore, provided that they be packed and guarded in so secure a manner as to afford complete protection to the contents of the mail bags and the officers of the Post Office, while at the same time they may be easily examined, may be sent as samples to places abroad, except France and places *via* France. Indigo cannot be sent to any place abroad.

The limit of weight is not the same to all countries. A packet must not exceed 24 inches in length by 12 inches in width or depth.

INDIAN PARCEL POST.

Parcels can be sent to any part of British India, through the *Indian Parcel Post Agency*—established under authority of the Director-General of the Post Office of India—at 122 Leadenhall Street, London, E.C.

The charge from London to destination in

India is 1s. per lb. or fraction of a lb. (prepayment optional). Insurance may be effected at the rate (to be prepaid) of 1s. up to £3 value, 2s. 6d. up to £10 value, and 5s. up to £20 value. Indian Customs duty (if chargeable) will be realized from the addressee.

The maximum weight, size, and value of a parcel are:—weight 50 lbs., size 2 feet long by 1 foot broad and 1 foot deep, value £20.

The following articles are forbidden contents:—Jewellery, watches, precious stones, liquids, or articles of a dangerous or damaging nature.

Parcels must be entirely closed and securely packed and fastened; a covering of cloth or waterproof sewn at the edges being recommended. The Indian address should be legibly written, with the superscription, 'By Indian Parcel Post.'

A letter of advice, stating name and address on parcel, contents and value for Custom House clearance, with legible signature and address of sender, should be sent to the Agency with each parcel.

Parcels forwarded from the country to the Office in London should have the Indian address, enclosed in an outer covering, bearing the address, 'Indian Parcel Post Agency, 122 Leadenhall Street, London, E.C.' The charges for carriage to London are additional to charges for transit or insurance to India, and may be prepaid to the local carrying agent, or left to be paid on delivery in London, and subsequently collected from the addressee. Cheques or money orders in payment for transit or insurance should be made payable to A. M. Bethune.

SPECIAL RATES OF POSTAGE, AND CONDITIONS OF TRANSMISSION.

ADDRESSES TO THE QUEEN, AND PETITIONS TO PARLIAMENT.

Petitions and addresses to Her Majesty, forwarded direct, are exempt from postage; and such petitions and addresses, as also petitions to either House of Parliament, if sent to a member of either House, are likewise exempt, provided they do not weigh more than two pounds, and are without covers, or in covers open at the ends. No letter or other enclosure, however, must be inserted; and if one be found, such enclosure, unless it bear the proper number of postage stamps, will be charged as an unpaid letter.

PARLIAMENTARY PROCEEDINGS.

Printed proceedings of the Imperial Parliament, sent without covers, or in covers open at the ends, may circulate within the United Kingdom at the rate of 4d. for every two ounces or fraction of that weight.

The words 'Parliamentary Proceedings' must be written or printed on the cover of the packet; otherwise it will be treated as an ordinary book packet.

Prepayment, when the circulation is within the United Kingdom, is optional; and when paid in part, the amount deficient only is charged.

Parliamentary proceedings may be sent, under the book post privilege, to all the colonies, and to those foreign states between which and this country there is a book post.

The limit of size prescribed for ordinary book packets does not apply to printed parliamentary proceedings.

PARLIAMENTARY NOTICES.

Parliamentary notices may be forwarded through the post under the following regulations:—

The words 'Parliamentary Notice' must be legibly printed on the face of the letter; and in order to secure the speedy return of any notices which may be undelivered, the name and address of the solicitor issuing such parliamentary notice should also be legibly printed or written on the face of the letter; though this is not imperative.

These notices must be posted at any Post Office at which money order business is transacted.

All notices which, by the standing orders of either House of Parliament, are required to be served on or before the 15th December, must be posted not later than the 12th December, unless the 12th fall on a Sunday, when they must be posted not later than the 11th; but those notices which, by the same orders, may be served after the

15th, must be posted at least three clear days before the time specified in the standing orders.

The postage chargeable on these notices, and the registration fee of 6d. on each, must be prepaid by stamps.

The notices must be posted at the Post Office window, accompanied with duplicate lists of the addresses; the notices being arranged, for the convenience of comparison, in the order of the list. These lists will be examined by the officer in attendance at the window; and if they correspond with the addresses, he will sign and stamp every sheet of each list. One of the duplicate lists will then be returned to the person who brought the letters, and the other forwarded to the Secretary, General Post Office, London.

The hours for receiving such notices are the same as those for the registry of ordinary letters, unless they be presented at such a time as to interfere with the other duties of the office; in which case the postmaster may appoint any other time within the next twenty-four hours for receiving the same, provided that, when the notices are to be served on or before the 15th December, such arrangement do not delay the posting beyond the 12th. Re-directed parliamentary notices are, like letters, liable to an additional rate of postage.

The senders of parliamentary notices should, if possible, arrange on the previous day with the postmaster as to the most convenient time for posting them, and state the probable number.

LETTERS FOR NON-COMMISSIONED OFFICERS, SOLDIERS, AND SEAMEN IN HER MAJESTY'S SERVICE.

Non-commissioned officers, bandmasters, army schoolmasters (not being superintending schoolmasters or schoolmasters of the 1st class), schoolmistresses, private soldiers, or seamen belonging to Her Majesty's ships, whether serving on sea or land, and whether in a British possession or foreign country, as also enrolled pensioners in Canada, can send and receive letters by packet or man-of-war, for a postage of 1d.; but if any such letters have to pass through a foreign country, they are subject, in addition, to the foreign postage, whatever that may be. Thus, the postage to the under-mentioned countries (including the British charge of one penny) is as follows:

To or from—	s. d.
China, Ceylon, India, Japan, or Australia, via Brindisi	0 4
Chili, Peru, or any other place in the South Pacific, via Southampton and Panama	0 2

The person claiming the privilege must at the time be actually employed in the service of Her Majesty, and must not be either a commissioned officer or warrant officer, viz. assistant engineer, gunner, boatswain, or carpenter, the privilege not extending to these officers.

If the letter be posted within the United Kingdom, the penny must be prepaid, as must any foreign postage that may be chargeable; and if sent by a private ship, the gratuity of one penny to the captain must also be prepaid. If posted abroad, prepayment is not compulsory; but if the letter be sent unpaid, it is on delivery charged twopence, together with any foreign postage or gratuity to a sea captain that may be due.

The letter must not weigh more than $\frac{1}{2}$ oz., and must relate entirely to the private concerns of the soldier or seaman.

The name of the soldier or seaman, with his class or description, must appear in the direction, and the officer having the command must sign his name, and specify the ship or regiment, corps or detachment, to which the soldier or seaman belongs; the name of the ship or regiment being entered in full. The foregoing particulars must be given in one of the following forms:—

If the letter be posted in the United Kingdom for a place abroad, unpaid or insufficiently paid, or if the class or description of the soldier or seaman be not written in the address, it will be detained, and returned to the writer for payment of the postage.

LETTERS FOR PASSENGERS ON BOARD MAIL PACKETS.

Letters for passengers on board the Cunard and Inman packets for America touching at Queenstown, or on board the Mediterranean packets about to sail from Southampton with the mails for

India, Australia, China, etc., may be posted up to the time at which ordinary registered letters to go by the same packets are received.

The letters must be registered, and be addressed to the 'care of the commander of the packet.'

Letters for passengers by the Canadian packets touching at Londonderry must be addressed to the 'care of the officer in charge of the mails.'

Letters directed to the care of the packet agent at Suez, and despatched by the mail *via Brindisi*, will probably reach passengers for India, etc., who have sailed in the packet from Southampton the previous week.

LETTERS BY PRIVATE SHIPS.

Letters intended to be sent by private ship must be addressed 'By Private Ship;' and if by a particular vessel, the name of the ship must be added. The postage of a letter by a private ship is as follows:—

Letters cannot be sent unpaid to the countries marked thus (*). The postage for letters weighing more than $\frac{1}{2}$ oz. advances in the same manner as that for letters sent by mail packets. Unpaid letters coming into this country are charged the same rates as unpaid letters going out of it.

Book packets and patterns may be sent for the same postage as by mail packets to all places to which there are mail packets.

Newspapers by private ships to the Cape de Verds must be prepaid 2d. each per 4 oz.; and to all other places 1d. each per 4 oz.

REGULATIONS AS TO PREPAYMENT, REGISTRATION, ETC.

MODES OF PREPAYMENT.

Inland letters, newspapers, and book packets must be prepaid by means of stamps, either adhesive or embossed or impressed, except at the General Post Office, Edinburgh, where letters and book packets may, from 10 a.m. to 4 p.m., be prepaid in money, provided the amount be never less than £1, and that the letters and book packets be tied in separate bundles of 5s. each, with the addresses arranged in the same direction.

Letters to places abroad must be prepaid wholly in stamps. This rule applies also to registered letters.

Newspapers, book packets, and sample packets for

places abroad can be prepaid only by means of stamps; and in their case prepayment is *always compulsory*.

British postage stamps, though available for all letters, etc., going out of this country, are not, as a general rule, available for letters, etc., coming into it; the principal exception being in the case of letters posted by naval officers, marines, and seamen serving abroad, which if posted in the ship's bag, must be prepaid by means of British postage stamps.

REGISTRATION (INLAND AND FOREIGN).

The fee for registering a letter, newspaper, or book packet passing between any two places in the United Kingdom is 4d.

No letter or postal packet can be accepted for registration unless the contents be securely placed so as not to move about, and be enclosed in a proper and well-fastened cover.

The fee chargeable to places abroad will be found in the Table of Colonial and Foreign Postage. To some countries a letter can be registered only to the port of arrival, and to a few countries there is no arrangement for registration.

Registered letters, etc., must be prepaid as regards both postage and registration fee; except official letters for Government Offices in London, Dublin, or Edinburgh, which may be registered on prepayment, in stamps, of the registration fee only.

Every letter to be registered should be presented at the window, and a receipt obtained for it, and should on no account be dropped into the letter-box. If, contrary to this rule, a letter marked registered be dropped into the letter-box, it will be directed to any place in the United Kingdom or the British colonies, be liable to a registration fee of 8d., instead of the ordinary fee of 4d.

Registered letters require to be posted at General Post Office thirty minutes, and receiving offices fifteen minutes, before the closing of the box for ordinary letters; but upon payment of a late fee of 4d. they may be registered at General Post Office until the closing of the letter-box for ordinary letters for each despatch.

The registration of a packet makes its transmission much more secure inasmuch as, under ordinary circumstances, a registered packet can be traced through its whole course; and thus the loss of a registered packet is a very rare occurrence. Nevertheless, large sums of money or other articles of great value should not be sent through the post, as the machinery of the Department is not arranged with a view to such transmissions. By law the Post Office is not responsible for the safe delivery of registered packets, though any officer who may neglect his duty on this point will be called to strict account. Sent in *unregistered* letters, valuable articles are exposed to risk; and the department cannot in any way undertake the safe conveyance of such packets. All inland or colonial letters, therefore, which contain coin, and all inland letters which contain watches or jewellery, even though they be posted without registration, are treated as registered, and charged on delivery with a double registration fee of 8d. in addition to the ordinary postage; and any such letters which cannot be registered in time to be forwarded by the mail for which they are posted, are detained for the next despatch.

No letter-carrier, rural messenger, or other servant of the Post Office, is allowed to carry a letter for any person to be registered.

DELIVERY AND RE-DIRECTION.

No person living within the town free delivery, unless he rent a private box, can obtain his letters at the General Post Office.

Private Boxes and Bags.—The fee for a private box is one guinea per annum, and if for a private bag also, one guinea additional, payable in advance, and for a period of not less than one year.

Every re-directed letter, post card, or other postal packet, is liable to an additional postage (at the prepaid rate) for each re-direction, unless the re-direction be made by an officer of the Post Office, and both the original and the second address be within the same free delivery.

Letters originally posted in the United Kingdom and re-directed to any place abroad are charged as unpaid letters. Foreign and colonial letters received and re-directed to some place abroad are

liable to an additional foreign or colonial rate; but if re-directed to a place within the United Kingdom, are liable to inland rate only.

A registered letter, when re-directed to any place within the United Kingdom, is only liable to the same additional charge as an ordinary re-directed letter. If, however, instead of being taken back to the Post Office to be dealt with as a registered letter, it is dropped into the letter box as an ordinary letter (the word 'registered' not having been erased, or having been erased in pencil only), it becomes liable to the same treatment as any other letter marked 'registered' and found in the letter box—is surcharged with a registration fee of eightpence, minus the value of any stamps already affixed for the registration. A registered letter re-directed to a colony or foreign country is liable to a second postage and registration fee, *which must be prepaid.*

Exceptions.—No charge for re-direction is made on Government letters; nor is any charge for re-direction made on newspapers from abroad, unless they have been opened, in which case they are liable to postage as books.

Letters, etc., posted in one country of the General Postal Union addressed to another country of the Union are also exempt from charge for re-direction, unless in the first instance they were addressed to a place in the country where they were posted, in which case they are charged the inland rate of the country to which they are re-directed.

Notices of removal and applications for letters to be re-directed must in all cases be made in writing, and be duly signed by the persons to whom the letters are addressed, and should be sent to the Surveyor-General, General Post Office, or handed to the letter-carrier of the district.

A postmaster is not bound to re-direct letters for a person temporarily leaving his home, and not having a private bag or box, unless the house be left uninhabited.

POSTAGE AND TELEGRAPH STAMPS.

* Postage labels are of the respective values of $\frac{1}{2}$ d., 1d., $1\frac{1}{2}$ d., 2d., 2 $\frac{1}{2}$ d., 3d., 4d., 6d., 9d., 10d., 1s., 2s., and 5s. Telegraph labels are of the respective values of 1d., 3d., 1s., and 5s.; stamped book 20s., and interleaved book 2d. extra. The embossed envelopes are of four sizes, viz. $4\frac{1}{2} \times 3\frac{1}{4}$, $5\frac{1}{2} \times 3\frac{1}{4}$, $5\frac{1}{2} \times 3$, $4\frac{1}{2} \times 2\frac{1}{4}$, and are sold thus: the largest size at 2s. 3d., other sizes at 2s. 2d., per packet of 24. Stamped wrappers are sold at 6 $\frac{1}{2}$ d. per dozen, and post-cards at 7d. and 8d. per doz., or 3 $\frac{1}{2}$ d. and 4d. per half-doz. Foreign post-cards are sold at 1 $\frac{1}{2}$ d. each.

Payment of postage cannot be made by means of postage stamps which have been cut, torn, or otherwise rendered imperfect; or of embossed or impressed stamps, cut out from the envelopes, cards or wrappers on which such were embossed or impressed.

Every rural messenger is authorized to sell penny postage stamps, and when any person applies to him for postage labels, the messenger must either supply them, or (if he have none in his possession) must, without extra charge, receive the postage in money, and on his arrival at the post office obtain labels for the amount, and affix them carefully to the letters.

To discourage the transmission of coin by post, all postmasters in the United Kingdom at whose offices money order business is transacted are permitted, though not compelled, to purchase postage stamps from the public (provided the stamps be not soiled or otherwise damaged), at a charge of 2 $\frac{1}{2}$ per cent.; the charge, however, never being less than one halfpenny. Under this arrange

ment the charges are as follows: For stamps not exceeding 1s. 8d. in value, $\frac{1}{2}$ d.; 3s. 4d., 1d.; 5s., $1\frac{1}{2}$ d.; 6s. 8d., 2d.; 8s. 4d., $2\frac{1}{2}$ d., and so on. No separate stamps can be purchased, or less than two adhering to each other.

In consequence of representations made to the Post Office by various firms, that there is reason to believe that their postage stamps were purloined by persons in their employ, the department has recommended that the name or initials of firms, etc., be either printed on the *back* of the stamps (by arrangement with the Inland Revenue Office, Somerset House), or perforated through the stamps by means of a machine devised for the purpose, so that, the sale of such stamps being thereby rendered difficult (postmasters having been instructed not to purchase any of them), there may be little or no temptation to steal them.

ARTICLES NOT ALLOWED TO BE SENT BY POST.

It is forbidden to forward by post any indecent or obscene print, painting, photograph, lithograph, engraving, book, or card, or any other indecent or obscene article, or any letter, newspaper, publication, packet, or card having thereon any words, marks, or designs of an indecent, obscene, libellous, or grossly offensive character. Anything posted contrary to this prohibition will not be forwarded.

Postmasters are instructed not to receive any letter which there is good reason to believe contains anything likely to injure the contents of the mail bag or the person of any officer of the Post Office. If such a packet be posted without the postmaster's knowledge, or if at any time before its despatch he should discover any such packet, he is directed not to forward it, but to report the case, with the address of the packet, to the Surveyor-General. The following are examples of the articles referred to:—

A glass bottle, or glass in any form; leeches, game, fish, meat, fruit, or vegetables; bladders or other vessels containing liquids; gunpowder, lucifer matches, or anything which is explosive or liable to sudden combustion. Razors, scissors, needles, knives, forks, or other sharp instruments are also forbidden, except when sent in packets of samples to the foreign countries mentioned in the section of Colonial and Foreign Pattern Post.

According to the regulations of Germany, no letter exceeding 250 grammes (a little more than $8\frac{1}{2}$ oz.) in weight, and containing any other enclosure than paper, can be allowed to circulate by the post. Any letters, therefore, forwarded in the mail to Germany above that weight, and containing any other enclosure than paper, will be liable, on their arrival at the Prussian frontier, to be stopped, and sent to the Custom House for delivery as *freight*.

The transmission of letters or other packets containing gold or silver money, jewels or precious articles, or anything liable to customs duties, through the post to any country of the General Postal Union is prohibited.

The laws of Costa Rica and Peru also forbid the transmission by the post within these countries of letters or other packets containing coins, watches jewellery, or other articles of value which are liable to customs duties; and any such packets, if forwarded, are liable to confiscation. Packets containing jewellery or other articles of value for Canada, the Cape of Good Hope, Victoria, or Queensland, are liable to be detained, and not delivered to the addressees until the customs duties have been paid.

MISCELLANEOUS REGULATIONS AND SUGGESTIONS.

No information can be given respecting letters which pass through a post office except to the persons to whom they are addressed; and in no other way is official information of a private character allowed to be made public.

Provision having been made, by means of the British Postal Guide (with local Postal Guides in large towns) and the Postal Official Circular, to supply full and authentic information on all postal matters, the public should abstain, as much as possible, from applying for such information to postmasters and other officers of the department.

Postmasters are not allowed to return any letter or other packet to the writer or sender, or to any one else, or to delay forwarding it to its destination according to the address, even though a request to such effect be written thereon.

Postmasters are not bound to give change, nor are they authorized to demand change; and when money is paid at a post office, whether as change or otherwise, no question as to its right amount, goodness, or weight can be entertained after it has been removed from the counter.

Postmasters are not bound to weigh any letters or other packets for the public, but they may do so if their duty be not thereby impeded.

If a letter be forwarded under cover to any postmaster with a request that he will re-post it at his office, the letter, on being re-posted, will be endorsed with the words 'posted at ———, under cover, to the Postmaster of ———.'

Every address should be legible and complete, and every letter should contain the full address of the writer, in order to ensure its return if the person to whom it is directed cannot be found.

The practice of sealing letters passing to and from the *East and West Indies*, and other countries with hot climates, with wax (except such as is specially prepared), is attended with much inconvenience, and frequently with serious injury, not only to the letters so sealed, but to the other letters in the mail, from the melting of the wax and adhesion of the letters to each other. The public are therefore recommended in all such cases to use either wafers or gum, and to advise their correspondents in the countries referred to to do the same.

MONEY ORDERS.

The public are recommended, when applying for Money Orders, to use the printed 'Application Forms,' which are supplied gratuitously at all Money Order Offices. These forms save time, and afford greater security than verbal messages against mistakes.

The commission on Inland Money Orders is:—

For sums under 10s.	1d.
" of 10s. and under £1	2d.
" " £1 " " " " " " " "	3d.
" " 2 " " " " " " " "	4d.
" " 3 " " " " " " " "	5d.
" " 4 " " " " " " " "	6d.
" " 5 " " " " " " " "	7d.
" " 6 " " " " " " " "	8d.
" " 7 " " " " " " " "	9d.
" " 8 " " " " " " " "	10d.
" " 9 " " " " " " " "	11d.
" " 10 " " " " " " " "	1s.

No single Money Order can be issued for more than £10 (except in payment of Government taxes, and in favour of the Receiver-General of Inland Revenue), neither can an order contain a fractional part of a penny.

In the case of Foreign Orders, the full address of the payee must be given; and if the order be payable to a native in British India, the tribe or caste and the father's name must also be furnished.

No Money Order can be issued, unless the applicant furnish, in full, the surname, and at least the initial of one Christian name, both of the remitter and the payee, together with the remitter's address:—

Exceptions.—If the remitter or payee be a peer or a bishop, his ordinary title is sufficient; and the usual designation of a firm is sufficient, except in the case of a company trading under a title which does not consist of the names of the persons composing it, as the 'Carron Company'; also when the remitter directs at the time of issue that the order, by being crossed like a cheque, be paid only through a bank, it is left to his option to give or withhold the name of the payee.

When application is made for a Money Order payable in London, or at any other town where there is more than one Money Order Office, the remitter should say at which of such offices he wishes it to be paid; otherwise the order can be cashed only at the Head Office. It is not incumbent on a postmaster to supply such information relative to local or provincial offices.

An order once issued cannot be cancelled; and should repayment or transfer to a different office, or alteration of name, be required, the remitter must apply according to the directions printed on the back of the order.

In order to enable the remitter to obtain an acknowledgment of the receipt of a Money Order before the money is paid, it is arranged that he may make his order payable ten days after date, provided that, in the presence of the postmaster, when he obtains the order, he affixes thereto, in the space after the request C., a penny receipt stamp, and write his signature across the stamp.

When an order is presented for payment (otherwise than through a bank), the postmaster has first to see that the signature of the payee be as full as the name given in the advice, and be not in any way inconsistent therewith. He has then to call on the applicant to give the name of the remitter; and if the reply be correct, the order will be paid, unless the postmaster have good reason for believing that the applicant is neither the rightful claimant, nor deputed by him. When an order is paid through a bank, it is sufficient that it be receipted (without regard to any discrepancy between the signature and the name in the advice), and that it be presented (crossed with the name of the receiving bank) by some person known to be in the employment of the bank.

The holder of a Money Order is always at liberty to direct, by crossing it, that the order be paid through a bank, even though its payment was not originally so restricted; and when the order is thus crossed, the question put on the presentation of an ordinary Money Order is dispensed with.

Money Orders do not require a receipt stamp.

Although at the end of twelve months from that in which it was issued, a Money Order, if still unpaid, becomes legally void, nevertheless, when a good reason can be given for the delay in presenting it, an application for payment, subject to a certain deduction, is entertained.

No application can be entertained for compensation for alleged injury from the non-payment of a Money Order at the expected time.

After once paying a Money Order, by whomsoever presented, the office is not liable to any further claim.

To guard against any person, even if he obtain possession of a Money Order, fraudulently getting it cashed, the remitter is recommended—

1. When he is well known to the payee, to sign the letter enclosing the order with his initials only.
2. When this is not the case, either to make the order payable ten days after date, or to register the letter enclosing it, or to make the order payable through a bank.
3. When it is not considered expedient to adopt either of these courses, to send the remitter's name (without a knowledge of which payment cannot be obtained) in a separate letter from that containing the Money Order; although this latter precaution is much less effective than either of the others.

Payment of an order cannot be demanded on the same day as that on which the order was issued.

In case of the miscarriage or loss of an inland Money Order, a duplicate is granted on a written application to the Controller of the Money Order Office of England, the Accountant in Scotland, or Ireland, as the case may be, where the original order was issued; and if it be desired to stop payment of an inland order, application must be made at the office where the order is payable, and a second commission must be paid. If alteration in the name of the payee or remitter of an inland Money Order should be required, application must be made by the remitter to the postmaster of the office at which the order was issued, and a second commission must be paid. Should transfer of payment of an inland order from one office to another in the United Kingdom, or repayment of the amount of an order, be required, an application enclosing the order must be made to the postmaster at whose office the order is payable, who will transmit in exchange a new order payable at the place desired, but for a less sum than the original order by the amount of the second commission charged for the re-issue. Proper printed forms for making applications in all these cases may be obtained at any Money Order Office. Whenever, on complaint being made, it is found that the necessity for an application, entailing the payment of a fresh commission, is attributable to the Post Office, the charge will be remitted to the applicant, and imposed on the officer in fault.

A postmaster is required to give information how to apply for a duplicate order, etc., and must furnish the prescribed form of application. If payment of an order be refused in consequence of the replies to the questions respecting the remitter, or the signature on the order not corresponding with the entries in the advice, the applicant for payment should communicate with the remitter, and request him to apply personally to the issuing postmaster.

No letter-carrier, rural messenger, or other servant of the Post Office is bound to procure a Money Order for any person, or to obtain payment for one; but such services are not forbidden.

Money Orders are issued in the United Kingdom on the following colonies, British agencies, and Foreign countries:—

Alexandria.	Constantinople.	Heligoland.
Berbice (New	Coquimbo.	Holland.

	0 9	1 6	2 3	3 0
If payable in any other place abroad (including most of the colonies) authorized to transact Money Order business with this country,	1 0	2 0	3 0	4 0

The issue of a duplicate order, or the stoppage of payment of an order issued by a colony on the United Kingdom, will be made on application to the Controller of the Metropolitan Office of that portion of the United Kingdom in which such *colonial order is payable*, provided an additional British inland rate of commission be enclosed with the application. Postmasters in the United Kingdom have power to transfer to other offices in the United Kingdom payment of colonial and foreign orders (with the exception of French issues) originally drawn on their own offices.

Orders issued in the United Kingdom and payable in the German Empire are subject to the conditions that govern the payment of orders in that Empire. Orders issued in France on the United Kingdom cannot be paid after three months from the *date* of issue without the authority of the French Post Office, and orders issued in the United Kingdom on France cannot be paid after three months from the *month* of issue without the authority of the Chief Office, London. Orders issued in the United Kingdom on Italy, and *vice versa*, cannot be paid after three months from the *month* of issue without the authority of the Chief Office of the country of issue.

POST OFFICE SAVINGS BANKS.

Every Post Office Savings Bank is also a Money Order Office, and is open for bank business during the same hours as for Money Orders.

Deposits of one shilling, or of any number of shillings, or of pounds and shillings, may be made by any person at the Post Office Savings Banks, provided that such depositor shall not make deposits amounting to more than £30 in any year ending the 31st December, or make any further deposit when the amount standing in his name, exclusive of interest, exceeds £150. When any depositor's principal and interest amount together to £200, all interest will cease so long as the balance of the account continues to amount to the said sum of £200.

Interest, calculated yearly at the rate of £2, 10s. per cent. per annum, will be allowed on every complete pound deposited, reckoned from the first day

of the calendar month next following the day on which a complete pound shall have been deposited or completed up to the first day of the calendar month in which the moneys are withdrawn. The interest thus calculated will be at the rate of one halfpenny per calendar month for every complete pound. The interest will be reckoned to the 31st December in every year, and will then be added to the principal.

Besides ordinary persons, deposits may be made—

- (A.) By a trustee on behalf of another person, in the joint names of such trustee and the person on whose account such money shall be so deposited; but repayment of the same, or any part thereof, will not be made without the receipts of both parties. A person may act as trustee in any number of accounts, and at the same time have an account in his own name.
- (B.) By two persons jointly on their own behalf, provided neither of them is already a depositor.
- (C.) By any person under 21 years of age or for his benefit; and repayment will be made to such minor, if more than 7 years old, as if he were of full age.
- (D.) By the trustees of any legally established friendly, charitable, or provident society, or penny savings bank; provided such trustees make application by post to the Controller of the Savings Bank Department, accompanied by a copy of their rules. Such societies, etc., are allowed to invest considerably beyond the usual limit, or even without restriction as to amount, according to circumstances.
- (E.) In the name of the Registrar of any County Court. Under the 24th sect. of the Act 30 and 31 Vict. c. 142 (County Courts Act), 'trust moneys' not in excess of £500 may be thus deposited; and under the 26th sect., money paid into a County Court in 'equitable proceedings' may be deposited by the Registrar without restriction as to amount.

Deposits made in Scotland by a married woman, or by a woman afterwards married, will be repaid to her unless her husband shall give notice, in writing, to the Postmaster-General requiring payment to be made to him. This rule applies also to deposits made in England or Ireland before the 9th of August 1870; from which day, by the passing of the Married Women's Property Act, all deposits made in England or Ireland by a married woman, or by a woman who may afterwards marry (unless the money belong to her husband and be deposited without his consent), are the separate and uncontrolled property of the woman.

Once in each year, on the anniversary of the day on which the first deposit was made, the depositor must forward the deposit book to the Controller of the Post Office Savings Bank Department in London, in order that it may be compared with the books of that department, and the interest due to the depositor inserted in it.

When a depositor wishes to withdraw the whole or any part of the sum due to him, he must make application for the same in a form which may be obtained at any Post Office Savings Bank. On receipt of this form at the G.P.O., London, a warrant for the amount required, payable at the Post Office Bank named by the depositor, will be sent him by return of post.

A depositor in any Post Office Savings Bank may add to his deposits at that or any other Post Office Savings Bank, and may withdraw the whole or any part of them from that or any other Post

Office Savings Bank, without change of deposit book.

The postmasters and other officers of the Postmaster-General employed in the receipt or payment of deposits, are strictly forbidden to disclose the name of any depositor, or the amount of his deposits, except to the Postmaster-General, or to such of his officers as are appointed to assist in carrying on the business of the Post Office Banks.

A full statement of the regulations of the Post Office Banks may be seen at any Money Order Office.

GOVERNMENT INSURANCE AND ANNUITY OFFICE.

The Postmaster-General is empowered, under the Act 27 & 28 Vict. c. 43, to insure the lives of persons of either sex, between the ages of 16 and 60, for not less than £20 or more than £100. He is also empowered, under the same Act, to grant immediate or deferred annuities of not more than £50 on the lives of persons of either sex, and of the age of 10 years and upwards. The persons whose lives are insured, or to whom annuities are granted, by the Postmaster-General, have direct Government security for the payment of the money at the proper time.

Tables of the premiums to be charged for the insurance of lives, for the grant of immediate annuities, for the grant of deferred annuities or deferred monthly allowances, without return of purchase money, or for the grant of deferred annuities or deferred monthly allowances, with return of purchase money, may be seen at the G.P.O.

PREMIUMS CHARGED FOR THE INSURANCE OF LIVES.

The life of a man or woman in his or her 30th year may be insured for £100—

	£	s.	d.
By a single payment of	43	3	7
Or by an annual payment, throughout life, of	2	6	7
Or by a fortnightly payment, throughout life, of	£0	2	2
Or by an annual payment, until the insured person reaches the age of 60, of	2	13	10
Or by a fortnightly payment of	0	2	6

Smaller sums may be insured by proportionate payments, but no one of the periodical payments must be of less amount than two shillings.

No one life can be insured for less than £20 in the whole; but when a life has been insured for £20, further insurances may be effected on the same life from time to time, for any amount, until the whole sum for which it is insured amounts to £100.

If, after having duly made his payments for a period of five years, the insured person shall be unable to continue, or shall desire to discontinue, such payments, a portion of the premiums paid by him, which portion will in no case be less than one-third of the whole sum paid by him, will be returned to him.

The sums to be charged for the purchase of immediate annuities will vary with the age and sex of the person on whose life the annuity is to depend:

Thus, a man aged 65 can purchase an immediate annuity of £10, payable half-yearly, for £88 18 4

A woman of the same age can purchase a like annuity for	103	16	8
A man aged 70 can purchase an immediate annuity of £10, payable half-yearly, for	73	3	4
A woman of the same age can purchase a like annuity for	84	19	2

The sums to be charged for the purchase of deferred annuities or deferred monthly allowances will vary with the age and sex of the person on whose life the annuity or monthly allowance is to depend, and with the length of the term for which the annuity is deferred (or in other words, with the number of years which are to pass before the commencement of the annuity), and with the conditions of the contract as to the mode of purchase, mode of payment, and return or non-return of purchase money.

When the condition of the contract is to be, that no part of the purchase money shall in any event be returned:

A man aged 30 may purchase a deferred annuity of £10, to commence on his reaching the age of 60, and to be payable half-yearly, either by an immediate payment of	£21	3	4
Or by an annual payment, until he reaches the age of 60, of	1	8	4
A woman of like age may purchase a like annuity by an immediate payment of	32	8	4
Or an annual payment, up to 60, of	1	17	6

and a man aged 30 may purchase a deferred allowance of £2, 7s. 3d. per month, to commence when he reaches the age of 60, by a payment until he reaches that age of 8s. per month; and a woman of like age may, by a like payment of 8s. per month, purchase a deferred allowance of £1, 16s. 7d., to commence when she reaches the age of 60.

When the condition of the contract is that, in the event of the death of the person on whose life the annuity or allowance is to depend before the commencement of the annuity or allowance, the purchase money is to be returned to his representatives, and that if the purchaser at any time before the commencement of the annuity or allowance is unable to continue, or wishes to discontinue, the purchase, the purchase money shall be returned to him, the price charged will be higher than when no such condition is made.

Under this condition, a man aged 30 may purchase a deferred annuity of £10, to commence when he attains to 60 years of age, and to be payable half-yearly, either by an immediate payment of	£40	9	2
Or by an annual payment, until he attains to 60 years, of	2	0	10
And a woman of like age may purchase a like annuity, either by an immediate payment of	47	0	10
Or by an annual payment of	2	7	6

and a man aged 30 may purchase an allowance of £1, 14s. 2d. per month, to commence when he attains the age of 60 years, by a monthly payment of 8s.; and a woman of like age, by a like payment until she reaches the age of 60 years, may purchase an allowance of £1, 9s. 4d. per month.

The annuity or monthly allowance granted on any one life must not exceed £50 per annum, or £4, 3s. 4d. per month; but purchasers need not purchase the whole amount of such annuity or allowance at one time. They may begin by purchasing

such part as they can afford to purchase, and go on increasing their purchases from time to time as their circumstances will permit.

Husband and wife may each be insured to the full amount of £100, and may each purchase an annuity of £50, or a monthly allowance of £4, 3s. 4d. Any two persons may purchase an annuity on their joint lives, with or without continuance of the annuity to the survivor.

Persons contracting for the insurance of their lives, or for the purchase of annuities or monthly allowances, will be allowed to pay their periodical premiums or instalments of purchase money at such of the post offices which have been or may hereafter be opened for the purpose, as will suit them best.

POST OFFICE TELEGRAPHS.

The charge for telegrams throughout the United Kingdom, including the Channel Islands and the Isle of Man, but excepting the Scilly, Orkney, and Shetland Islands, is 1s. for the first twenty words, and 3d. for every additional five words, *i.e.* for every additional group of not more than five words, the names and addresses of the sender and receiver not being counted.

The charge for telegrams to the Scilly Islands is (in addition to the ordinary inland rate) 2s. 6d. for five words, and 6d. for every additional word—a charge of 6d. per word is also made for every word above ten in the addresses; and to the Orkney and Shetland Islands, 6s. for the first twenty words, and 1s. 6d. for every additional five words, except to Moss Bank, Culla Voe, Uyea Sound, and Balta Sound, in Shetland, the rates to which are 7s. for the first twenty words, and 1s. 9d. for every additional five words.

When the terminal telegraph office, *i.e.* the office from which the message is delivered, is a Head Post Office, the amount paid for the transmission of a message covers the cost of delivery within the town postal delivery of that office. But when it is not a Head Post Office, the message is delivered free only within the limit of one mile.

When the addressee resides beyond the above-described limits, postage is charged at the rate of 6d. per double mile (that is, a mile out and a mile back), or any part thereof, provided the whole distance to be traversed does not exceed three miles out and three miles back; but the charge is calculated from the boundary of the district within which no postage is levied. For instance, if the distance is a mile and a quarter from the telegraph office, the charge for postage would be 6d.; if above two miles and under three, 1s.

If the addressee resides at a greater distance than three miles from the terminal telegraph office, postage is charged for delivery by mounted messenger at the rate of 1s. per double mile, except in the case of telegrams for Ireland, where the charge is 8d. per double mile.

If the sender requires his telegram to be forwarded by post or by train from the terminal telegraph office, he must write the words 'by post' or 'by train' in the space provided for that purpose at the foot of the message-form.

A deposit of 5s. is required upon all telegrams addressed to persons on board ship (unless the ship be lying in the dock) to cover any expense incurred in their delivery; but application can be made to the Secretary for any surplus.

Telegrams may be repeated at the request of the sender, if he desires to adopt this extra security against risk of error. The charge for repetition is one-half the ordinary tariff; fractions of threepence being reckoned as twopence.

If the receiver of a telegram doubts its accuracy, he may have it repeated by depositing half the amount paid for its transmission to him. The money will, however, be refunded if an error has been found in transmission.

The cost of a reply to a telegram may be prepaid; and a Prepaid Reply Pass will then be delivered to the addressee, who will be at liberty to send his reply, from any telegraph office, at any time within two months after the date of the original telegram. If the pass be not used, application for the return of the money, accompanied by the Prepaid Reply Pass, may be made to the Secretary, G.P.O., London. A Prepaid Reply Pass, however, need not necessarily be used for the reply to a message, but may be used for another message containing the same number of words.

Persons who wish to avoid sending so far as to a telegraph office may, without additional charge, post a telegram form, enclosed in an envelope addressed 'Telegraph Office,' in a wall or pillar box, or in the letter-box of a receiving office or sub-post office. Telegrams so posted are sent on to the nearest postal telegraph office by the first collection from the letter-box in which deposited. The period of arrival at the postal telegraph office is regarded as the time of receipt from the public; but it should be borne in mind that if a telegram be deposited in a box at such a time that it cannot reach a telegraph office before 7 p.m., it may not reach its destination until after 8 a.m. on the following day.

Telegrams so posted, but insufficiently prepaid, are forwarded to their destination, the difference of charge being obtained from the addressee; but unpaid telegrams are not forwarded.

No combination of two or more words is counted as one word, with the exception of those words which are ordinarily coupled by hyphens, such as 'mother-in-law,' 'non-delivery,' 'sub-lieutenant,' 'alms-houses,' etc., or words denoting the names of persons or towns, whether connected by hyphen or not, such as 'O'Neil,' 'MacDonald,' 'Newcastle-on-Tyne,' 'Isle of Wight,' etc. The name of the county added to the name of a place is reckoned separately, as, for example, 'Newcastle, Staff.,' 'Bradford, Yorks.,' the charge being in each instance for two words.

The following exceptional compound words are charged for as one word:—Midday, midnight, noonday, se'nnight, cannot, to-day, to-night, to-morrow, yesternight, yesterday, halfpenny, twopenny, and pence up to elevenpenny; also all denominations of trades, such as linen-draper, silversmith, share-broker, etc.

Abbreviations of auxiliary verbs denoted by apostrophes (such as can't, won't, don't, I'll, you'll, couldn't, shouldn't, etc.) are charged for as one word. By writing words in this way, however, there is a greater risk of error.

Numbers expressed in figures in an inland telegram are counted as so many words, according to the number of figures employed; and in fractions one word is counted for the bar or mark of division.

The department is not liable for losses incurred through the incorrect transmission, delay, or non-delivery of telegrams.

Telegraph offices are, as a rule, open from 8 a.m. to 8 p.m., and from 8 a.m. to 10 a.m. on Sundays. There are, however, offices in several of the larger towns which are open longer; and at various offices in London and in the country the attendance is continuous.

Particulars as to foreign telegrams can be obtained at any postal telegraph office.

Generally, the items are given in the words of the schedule. New matter is put within brackets. When the sections are merely cited without the Act, they are the sections of 33 and 34 Vict. c. 97. All items in the schedule of the Act relating solely to England and Ireland are excluded. In the same session were passed the Acts 33 and 34 Vict. c. 98, Stamp Duties Management, and 33 and 34 Vict. c. 99, repealing certain enactments relating to the Stamp Duties. The Duties came into operation on the 1st January 1871.

Foreign Bonds and Stocks.—Documents of the debts of foreign governments and foreign companies which pass from hand to hand are property where the documents may be. Debentures or bonds by foreign companies and governments, and the title to stocks of foreign companies and governments, are property in this country if in the possession of any person in this country, and can be sold in the market, and the title of the purchasers completed to them in this country. See *Attorney-General v. Bouwens*, 4 Meeson and Welsby 171.

Rents of Heritage.—If the deceased survive Whitsunday, one moiety of the rents of the crop of that year is personal estate. If he survive Martinmas, the whole rents of that crop fall into the executry. In addition, from and after 1st August 1870, the Act 33 & 34 Vict. 1870, c. 35, would seem to give the executor a proportion of the rents from the term preceding the date of death to the date of death. That Act would also seem to give a proportion of the term's rents of quarries, minerals, and houses, and also feu-duties current at the death. The executor's right to house rents would not therefore be to the half-year's rents current at death, but to a proportion only to the date of death.

MODES IN WHICH DUTY MAY BE PAID.

When deceased domiciled in Scotland.—In the case of a person dying domiciled in Scotland having personal property in Scotland, England, and Ireland, and also heritable securities excluding executors, and personal bonds excluding executors, duty in respect of the whole may be paid on the inventory required to be recorded in the Commissary Court; or inventory duty may be paid on the personal property situated in Scotland, including heritable securities made moveable by the Act 31 & 32 Vict. c. 101, § 117, and duty may be paid on a 'special inventory' of the heritable securities excluding executors, and personal bonds excluding executors, and probate or administration may be obtained in England and Ireland in respect of the personal estate in these countries, and duty paid in respect of such on these instruments.

When deceased domiciled furth of the U. K.—In case of a person dying domiciled furth of the United Kingdom leaving personal estate in

Scotland, England, and Ireland, an inventory must be given up in Scotland, probate or administration taken out in England and Ireland, and duty paid on such in respect of the property in each country.

In the case of Intestate Estates not exceeding £150, the widow, or any one or more of the children, or in the case of a widow dying intestate, any one or more of her children may apply to the Commissary Clerk, and he shall prepare an inventory and oath and record the inventory and expedite confirmation according to statutory forms, 38 and 39 Vict. c. 41.

Exemptions.—Inventory of the estate of any common seaman or soldier dying in service.

Additional inventory when the duty on the whole estate does not exceed that already paid on the former inventory.

RETURN OF INVENTORY DUTY.

The inventory duty and probate and administration duty are paid on the whole personal property, without deduction of debts; but the Act 5 & 6 Vict. c. 79, § 23, provides for a return being given on proof of the constitution and payment of the debts. This return must be claimed within three years; but the time will be prolonged on application to the Board of Inland Revenue. No return to be granted in respect of a voluntary debt due from a person dying after 28th June 1861, expressed to be payable on the death of such person, or payable under an instrument which shall not have been *bona fide* delivered to the donee three months before the death of such person. (24 & 25 Vict. c. 92, § 3.)

Note.—Forms of inventory and additional inventory will be found in the *Juridical Styles*, vol. III. App. pp. 8-11. Forms of inventories, and also regulations for return of inventory duty, may be obtained at the office of the Solicitor, Inland Revenue, Edinburgh.

SUCCESSION DUTY.

The duty on HERITABLE PROPERTY is charged on the annual value, after allowance of the necessary outgoings (§ 22), as an annuity for the life of the successor (§ 21), which is to be valued by tables annexed to the Act.

- (b.) With what amount of duty it is chargeable.

a. Instruments to have stamps impressed are received at the Cashier's Office, Inland Revenue, Edinburgh, to be stamped, if within two months of the first date (the solicitor may in certain circumstances receive them within two months of the last date), on payment of the duty; if beyond that date, on payment of the duty and penalty. Persons applying will be furnished with a schedule, which, after being filled up, is to be presented, with the instrument, at the Cashier's Office, No. 3 Inland Revenue. (c.) *Also instruments which cannot be stamped.*—Nothing in this section contained shall be deemed to authorize the stamping after the execution thereof of any instrument prohibited by law from being so stamped.

Persons dissatisfied may appeal.—§ 19 (1.) Mode of proceeding.—(2.) The commissioners shall thereupon state and sign a case accordingly, and deliver the same to the person by whom it is required, and on his application such case may be set down for hearing in the proper court.

(3.) Upon the hearing of such case (due notice of which is to be given to the commissioners) the court shall determine the question submitted, and if the instrument in question is in the opinion of the court chargeable with any duty, shall assess the duty with which it is so chargeable.

(4.) If it is decided by the court that the assessment of the commissioners is erroneous, any excess of duty which may have been paid in conformity with such erroneous assessment, together with any penalty which may have been paid in consequence thereof, shall be ordered by the court to be repaid by the commissioners to the appellant, together with the costs incurred by him in relation to the appeal.

(5.) But if the assessment of the commissioners is confirmed by the court, the costs incurred by the commissioners in relation to the appeal

shall be ordered by the court to be paid by the appellant to the commissioners.

The commissioners may call for and refuse to proceed without evidence.—§ 20 (1.) In any case of application to the commissioners with reference to any instrument, the commissioners may require to be furnished with an abstract of the instrument, and also with such evidence as they may deem necessary, in order to show to their satisfaction whether all the facts and circumstances affecting the liability of the instrument to duty, or the amount of the duty chargeable thereon, are fully and truly set forth therein, and may refuse to proceed upon any such application until such abstract and evidence has been furnished accordingly.

Affidavit not to be used otherwise. Person paying full duty relieved of penalty, etc., for omission to state truly in instrument.—(2.) Provided that no affidavit or statutory declaration made in pursuance of this section shall be used against any person making the same in any proceeding whatever, except in an inquiry as to the duty with which the instrument to which it relates is chargeable; and every person by whom any such affidavit or declaration is made shall, on payment of the full duty with which the instrument to which it relates is chargeable, be relieved from any penalty, forfeiture, or disability he may have incurred by reason of the omission to state truly in such instrument any of the facts or circumstances aforesaid.

Stamps not wanted may be repurchased by the Commissioners.—§ 17. A stamp not spoiled or rendered unfit or useless for the purpose intended, but for which the person has no immediate use, the commissioners may, if they in their discretion think fit, repay the amount in money, deducting the proper discount. The stamp to be delivered up to be cancelled, and satisfactory proof to be given that it was purchased by him with a *bona fide* intention to be used, and that the applicant has paid the full value thereof without any deduction (except only the amount of such discount), and that the stamp was so purchased within the period of *six months* next preceding the application at the chief office or at one of the head offices, or from some person duly appointed to sell and distribute stamps, or duly licensed to deal in stamps.

As to the exchange of *Sea Policies* of Insurance, see 30 Vict. c. 23, § 17. The cases for allowing are—

(1.) Where policy shall be inadvertently filled up in an incorrect or improper manner;

(2.) Or be obliterated or otherwise spoiled, and rendered unfit for use;

(3.) Or shall be filled up for some insurances which shall not be proceeded in, and the same shall not be signed by any underwriter.

Application must be made within *six months* after the policy shall be spoiled or become useless. (See Note a.)

a. The Inland Revenue Office, No. 6 Waterloo Place, Edinburgh, is open for the allowance of spoiled stamps every lawful day, except Saturday, from 10 A.M. to 2 P.M. The distributors of stamps and most of the sub-distributors also receive spoiled stamps for allowance.

A supply of forms of affidavits is kept at the Inland Revenue Office, and by the distributors and sub-distributors of stamps, and claimants may attend at the Inland Revenue Office and have the affidavits taken; or they may get copies of the forms, and take the oath before a justice of the peace, and shortly afterwards lodge the affidavits and the stamps with any of the above officers. If not brought within ten days or a fortnight, the stamp will not be allowed without a fresh affidavit. If the claim be admitted at Edinburgh, a ticket is

issued stating that application is to be made for the new stamps after the next Monday, and within six weeks from the date of the ticket. If the claim be lodged with a distributor, or sub-distributor, a ticket is issued stating that application is to be made for the said stamps after a specified date, and within six weeks from the date of the ticket. If application not made within that time, the claim will be forfeited, and no excuse will be accepted.

The stamps must be presented for allowance *within six months* after being spoiled.

The charge in such cases shall be 2s. for the first hour or part thereof, and 6d. for every additional quarter of an hour or part thereof.

For an *AIRING* into the country within seven miles from the Cross of Edinburgh, and returning either

by the same or a different road, the rate shall be 3s. for the first hour or part thereof, and 1s. for every twenty minutes or part thereof. A drive round the Queen's Drive shall be at the rate of 3s. per hour. Unless the hirer wishes a slower pace, the rate of driving when out an airing shall be at least six miles an hour; and in the event of the driving being at a slower pace than six miles an hour, contrary to the wish of the hirer, it shall be optional for the hirer to pay the fare in the proportion of 3s. for every six miles so travelled.

WHETHER THE FARES ARE BY DISTANCE OR BY TIME.

1. The hirer pays tolls.

2. If there be more than four grown-up persons driven, a charge of 6d. extra shall be made for each additional grown-up person, or for each two children above six years of age, and under twelve. No additional charge for one child above six to twelve, or children under six years.

3. From eleven at night till seven morning, double fare, excepting in cases in which the hiring begins before eleven o'clock and ends at or before a quarter past eleven o'clock.

4. On Sunday the fares for such carriages as shall have been previously ordered or engaged, or hired elsewhere than on the public streets or stances, shall be fare and a half.

5. The above fares are for one-horse carriages, and there shall be no additional charge when two horses are used by the owner without being required to do so; but if two horses be used at the request of a hirer, the charge shall be fare and a half.

6. No owner or driver shall demand or receive more than the regular fare.

7. Owners or drivers may agree to drive at lower fares than those fixed. In that case, should they demand more than the fare agreed on, they shall be liable as for an overcharge.

LUGGAGE.

For luggage exceeding 100 lbs. in weight there shall be a charge of 6d. extra. But there shall be no charge for luggage under that weight. The driver shall assist in loading and unloading in all cases when required.

FARES MAY BE WITHHELD.

Any party shall be entitled to withhold payment of the fare—

1. When the name and number are not painted outside, or when there is no plate inside, in terms of Article Third of these bye-laws.
2. When the reference ticket is not given.
3. When the bye-laws, table of fares, and driver's licence are not shown on demand.
4. When an overcharge is made.
5. When the driver fails or refuses to complete an engagement; but if payment of the fare be withheld, the party shall give the driver his full name, designation, and residence.

REDRESS.

Parties aggrieved will obtain redress on application to the Procurator-Fiscal at the City Chambers, within eight days after the date of the offence, except in cases when parties are prevented making such application by their absence from town.

LEADING FEATURES.

Perfect Security. The Funds are ample and securely invested, and the Periodical Investigations are conducted on the most approved principles.

Business rapidly increasing. Since the last Investigation in 1871 the Annual Amount of New Assurances has increased from £426,000 to upwards of £600,000.

Moderate Premiums. Taken in connection with the Bonus and other advantages, the Rates of this Office will be found specially moderate.

Large and increasing Bonuses. The Company's System of Division secures an increasing share of the Profits as Policies advance in age. Many Policies have been doubled in amount, and for some years past the average Rate of Bonus paid on Claims has been about THIRTY PER CENT.

Non-Forfeitable Policies. The Non-Forfeiture System of this Company, embracing nearly all classes of Assurances, obviates the risk of loss from discontinuance of Premiums.

Liberal Conditions. The Conditions of Assurance as regards Foreign Travel and Residence, the revival of Lapsed Policies, etc., are specially favourable, and exclude all unnecessary restrictions.

LIFE BUSINESS ONLY IS TRANSACTED BY THE COMPANY.

CALEDONIAN INSURANCE COMPANY.

Founded 1805. The Oldest Scottish Insurance Office.

LIFE DEPARTMENT.

SECURITY of the highest order is afforded to Policy-holders. In illustration of the stringency of the principles of valuation employed, it may be stated that the Reserve made by the Caledonian is equal to 75 per cent. of all the Premiums received under existing Policies. On reference to the Valuation Statements published by the Board of Trade, it will be seen that very few Companies maintain so high a Reserve.

The BONUSSES have been increased at successive Divisions of Profit.

PREMIUMS STRICTLY MODERATE.

FIRE DEPARTMENT.

Owing to the age of the Company the Fire Reserve Fund, which has been gradually accumulating, is now greatly larger in proportion to the Premiums than that of any other Scottish Company. This deserves attention, as the most important point to be kept in view in the selection of a Fire Insurance Office is the extent of SECURITY afforded; the *rates of premium* charged by all Fire Companies of good Standing being practically the same.

LOSSES LIBERALLY AND PROMPTLY SETTLED.

NO FOREIGN BUSINESS TRANSACTED.

LIFE ASSOCIATION OF SCOTLAND.

FOR LIFE ASSURANCE AND ANNUITIES.

HEAD OFFICE—EDINBURGH: 82 PRINCES STREET.

Extract from Statements to the 36th Annual Meeting (1875).

The TOTAL REVENUE of the year was	£375,746
288 DEATHS occurred amongst the ASSURED under Policies for	146,090
21,011 POLICIES of Assurance in force for (less re-Assurances)	8,910,958
402 LIFE ANNUITIES in force for <i>per annum</i>	18,132
TOTAL CLAIMS paid under Life Policies,	1,889,461
TOTAL CASH BONUSES to Policy-holders in Class A,	638,852
ASSETS in hand as per the Balance Sheet,	1,819,650
FUNDS, after deduction of all unpaid liabilities,	1,801,829

There are two Classes of Policies, A and B, having distinctive arrangements as regards Bonuses, etc.

CLASS A.

CASH BONUSES are allocated every year to Policy-holders of five years' standing who have paid six years' premiums, and are applied in part payment of the next premiums payable for the policies. The outlay required, after the sixth payment, is thus much below the usual amount.

CLASS B.

The BONUSES are declared every Five Years, and are in the form of Contingent Additions to the Sums Assured, and reserved for those who do not die before the average period. These Bonuses are accordingly three or four times larger than the ordinary Bonuses of other Offices.

The Association is distinguished by its Liberal and Protective Regulations in favour of the Policy-holders.

THE POLICIES are unusually favourable as regards Indisputability—Non-Forfeiture—Place of Residence, &c. In Class B, the Assured may proceed to any part of the World.

THE UTMOST PROTECTION is afforded under accidental omission or inability to pay premiums, and the Policy-holder's convenience is met by arrangements for postponing payments; by Loans to the extent of the Value of the Policy; or by Reduction of the Assurance to a smaller amount, &c.

IN DISCONTINUING payment of his Premiums, the Policy-holder is protected against loss by the Non-Forfeitable Premium System, now extended to almost all kinds of Assurances.

TWO-THIRDS only of the first Six Years' Premiums on Policies in Class A, or of the first Ten Years' Premiums on Policies in Class B, need be paid for Assurances of £300 or upwards. A Policy of £1500 may thus be secured for the outlay commonly required for £1000.

FULL PREMIUMS need not be paid under Whole Life Assurances or Endowment Assurances of not less than £300.

THE SCOTTISH EQUITABLE LIFE ASSURANCE SOCIETY has been established for Forty-five years. The principle of MUTUAL ASSURANCE on which it is founded, the careful management of its affairs, and the equity and liberality of its Regulations, have secured for it public confidence, and entitled it to take rank as a First-class Office.

There being no Proprietors to share in the Funds contributed by the Members, THE WHOLE PROFITS BELONG TO THE POLICYHOLDERS EXCLUSIVELY, who are, however, by the DEED OF CONSTITUTION, expressly exempted from all personal responsibility for any claims against the Society.

The Profits are divided every five years, and are allocated not only on the sums originally assured, but also on the previously vested Bonus Additions. Bonuses are also paid for the period between the date of the last Division and the date of death.

The total Additions made to Policies amount to £2,012,982.

On 1st March 1875 the available Assets of the Society, all Invested in the United Kingdom, and on unexceptionable Securities, amounted to £2,177,183. The Net Annual Premiums were £194,994, and the Net Sums assured £7,592,134. The Funds in hand therefore amounted to more than eleven times the Premium income, and to upwards of 28½ per cent. of the sums payable under the Policies.

View of the Progress of the Society.

SIXTH DIVISION OF PROFITS.

The QUINQUENNIAL VALUATION of the ASSETS and LIABILITIES of the ASSOCIATION is now in progress, and, in order to profit by the most authentic and trustworthy experience in relation to the Mortality of Assured Lives, the Directors have determined to base it on the Table of Mortality recently published by the Institute of Actuaries. The result will be reported at a Special General Meeting to be held before Midsummer.

The ASSOCIATION transacts every description of LIFE ASSURANCE and ANNUITY BUSINESS, and also secures ENDOWMENTS, payable at any period of Life, as PROVISIONS FOR OLD AGE. It combines PERFECT SECURITY to the ASSURED with MODERATE RATES of PREMIUM, careful SELECTION OF RISKS, and liberal and immediate PARTICIPATION IN PROFITS. The FUNDS are SECURELY INVESTED, and of AMPLE AMOUNT.

NINE-TENTHS (90 per cent.) of the PROFITS are divided among the ASSURED every FIVE YEARS.

13,000 POLICIES ISSUED FOR MORE THAN SIX MILLIONS STERLING.

Large Bonus Additions have been made to this Company's Policies at repeated Investigations.

During the twelve years preceding the last investigations in 1872, the average rate of Bonus exceeded £1, 10s. per cent. per annum. A Policy for £1000 effected in 1844 had increased in 1872 to £1355.

LIFE DEPARTMENT.

PREMIUMS, 1875, . . £255,259.

The Advantages and Facilities offered to Insurers with the Liverpool and London and Globe Insurance Company are as follows, viz. :—

LIFE POLICIES are issued upon two different Plans, namely:—Either upon a Scale of Premiums entitling the Assured to a *Participation* in Profits;—or upon a Scale which, requiring a smaller payment to secure a specified sum, does not entitle to such participation.

These Two Scales of Premium enable the COMPANY to meet the wishes of those who desire to accumulate BONUS ADDITIONS to THEIR POLICIES; and also of another numerous class, to whom the lowest fixed rate of *Non-Participating* Premiums for a fixed amount of Insurance, without Bonus Additions, are either more convenient or, for especial reasons—as, for instance, in some case of Trusteeship—more proper.

The DIVISION OF PROFITS will for the present be quinquennial, but the first declaration of BONUS ADDITIONS to the Sums Insured upon the Participating Scale will be made for the term ending 31st December 1878.

The Assured's Share will be FOUR-FIFTHS of the Profits so ascertained to have accrued upon Life Policies of their class after the present date on the Participating Scale, and remaining in force on the 31st December 1878, and will be divided among the then existing Policies of that class, and which shall have been in force for one or more years.

Claims under Policies will be paid in THIRTY DAYS after the claim itself has been admitted, being the same time as is allowed for the payment of Renewal Premiums. This is an advantage peculiar to the Company.

THE MANCHESTER FIRE ASSURANCE COMPANY was established in 1824, upon principles of public utility, and consists of a numerous and wealthy proprietary—possessing a large paid-up Capital, which, with the accumulations of Profits, offers to Insurers the most ample security.

The cheerfulness and promptitude with which important losses have been paid by this Company are well known and admitted, it being the desire of the Directors to settle them with liberality and despatch.

By a system of the most complete classification, the result of each description of risk is ascertained annually; and the rates charged, being founded on an experience of half a century, are as favourable to the Insured as is consistent with the security of the Company.

No charge made for New Policies. Losses by Fire occasioned by Lightning are made good. The Policies of this Office extend to and cover Losses by Explosion of Gas.

Insurances effected for Seven Years will be charged for Six Years only; or if for any number of years more or less than Seven, a reasonable Discount will be allowed upon the Premium.

Insurances may be effected in Foreign Countries and in the Colonies, as well as throughout Great Britain.

Farming Stock and Implements of Husbandry on a Farm are Insured without the average clause.

Assets exceeding £5,800,000 sterling

Have been accumulated and invested only in *First-Class Convertible Securities*, as restricted by the Insurance Laws of the State of New York. Such Investments are beyond the reach of MONETARY DISTURBANCE, and complete protection to Policy-holders is thus assured.

THE WHOLE OF THE PROFITS ARE RESERVED FOR THE ASSURED.

The business of this Society is carefully distributed over the continent of North America and the British Isles; *an additional and exceptional safety* is consequently guaranteed to the insured by a broad basis of operations.

The greater earning power of money in the United States enables THE EQUITABLE of New York to offer to its patrons UNEQUALLED ADVANTAGES.

A Popular Scheme of Life Insurance on

THE TONTINE PLAN

has originated with and is granted by THE EQUITABLE, which, upon a principle of deferred bonus, adds very considerably to the proportionate profit of those holding these Policies.

ESTIMATED RESULTS AT THE END OF TWENTY YEARS ON THE TONTINE PLAN.

AGE.	Annual Premium for £1000.	Total Premiums Paid.	Cash Value of Policy.	Equivalent value in Paid up Policy.	Annuity during Life, and the £1000 at Death.
	£ s. d.	£ s. d.	£ s. d.	£ s. d.	£ s. d.
25	19 17 6	397 10 0	735 0 0	1950 0 0	30 14 0
35	26 7 6	527 10 0	1059 0 0	2160 0 0	57 10 0
45	37 19 2	759 3 4	1667 0 0	2670 0 0	135 4 0

Thus, commencing at the age of 25, the assured will pay in premiums £397, 10s., and at the end of twenty years the cash value of the Policy will, it is estimated, be £735, or the equivalent value in a paid up Life Policy £1950, or Annuity of £30, 14s. during life, and the £1000 to heirs at death.

THE EQUITABLE LIFE ASSURANCE SOCIETY of New York has received an unqualified endorsement from leading actuaries in London, expressing opinions of the soundness of the Institution, of its good management, and of its full title to confidence in an **IMPORTANT DOCUMENT**, which ought to be read by every person desiring a Life Insurance, as it shows that THE EQUITABLE furnishes, on the most favourable terms, a perfect security for the future, which is of great importance to those depending upon their Insurance Policies for the ultimate support of their families. This document has been recently published by the Society, and can be had, with all other information regarding the Society, on application to

THE NATIONAL GUARANTEE AND SURETYSHIP ASSOCIATION provides Security for the Intromissions and Fidelity of Persons in Situations of Trust and Responsibility; and undertakes, upon payment of a small annual Premium, to make good, in cases of default by fraud or dishonesty, any losses which may be sustained, to an amount specifically named and agreed upon in its Policies.

THE DESCRIPTION OF RISKS which the Association is prepared to undertake includes, amongst others, the following:—

Officers of the principal Government Departments; Managers, Secretaries, Agents, Tellers, and Clerks of Banks, Insurance Companies, Railways, and other Public Institutions; Factors, Trustees, Collectors, Receivers, and others entrusted with the management of Property and collection of Rents, Taxes, etc.; Commercial and Professional Clerks, Book-keepers, etc.; and Travellers and Agents for Commercial Houses.

The Guarantee Bonds of the Association have been accepted by the principal Government Offices, Banking, Insurance, Railway, and other Public Companies throughout the United Kingdom, India, and the Colonies. The number of Bonds already issued is nearly **TEN THOUSAND.**

BONDS IN RELIEF of Private Sureties are granted in Judicial and other cases, where the Guarantee of a Public Company is not accepted.

THE PREMIUMS are moderate, and vary according to the nature of the employment and the duties to be performed. Liberal reductions are made in the Premiums for certain classes of risks after the guarantees have been in force for four years.

GUARANTEES FOR THE WHOLE STAFF of Employés of Companies and Offices are undertaken on the most favourable terms, and, if arranged, at a uniform rate of Premium.

The Association transacts Fidelity Guarantee Business alone, unconnected with risks of any other description whatever.

Forms of Proposal and all information may be obtained at the Head Office or Agencies.

BONDS are granted whereby the Company undertakes to make good loss by reason of the fraud or dishonesty of persons receiving or holding money or securities for money, or entrusted with property of any kind (such as Receivers in Chancery or Bankruptcy, Managers, Secretaries, Bank Agents, Collectors, Clerks, Travellers, and Commission Agents).

The BONDS of the Company are accepted by

Her Majesty's Government, The Local Government Board,
The Court of Chancery, The City of London,

and other Municipal Corporations; and by various Banks and Railways, and other large Companies throughout the United Kingdom, India, and Australia.

The Rates of Premium vary according to the risk undertaken by the Company. The different kinds of risks have all been classified, and the Company is therefore in a position to undertake the best at the Lowest Scale of Premium.

ACCIDENT DEPARTMENT.

This Department is one now widely taken advantage of by all classes of society. Some idea of the substantial character of the benefit obtained by the public from Accident Assurance may be gathered from the fact that there is paid annually by way of allowance for injuries, exclusive altogether of the amount paid on Death claims, not much less than £100,000 in England alone.

DEPOSITS AND DEBENTURES.

THE ASSOCIATION receives Money on DEPOSIT or DEBENTURE BOND, at Rates varying from 3 to 4½ per cent., according to the market value of money at the time. If preferred, a uniform Rate of Interest will be given on Deposits for fixed periods of from one to five years, on terms to be arranged. The Debenture Bonds will be granted for five or seven years.

SAFETY OF DEPOSITS AND DEBENTURES.

The ASSOCIATION lends its Funds on HERITABLE PROPERTY *only*, and at rates corresponding to the market value of money. All the Loans are repayable by instalments, which adds greatly to their safety, any depreciation which might take place in the value of the security being more than met by the gradual diminution of the Loan. The risk arising from the Investments of the Company is thus small, and they are enabled to give comparatively high rates for Deposits. In addition to the fact that the Loans are all secured on Heritable Property *only*, Depositors have the *further guarantee of the Company's large Subscribed Capital and Reserve Fund*.

At 31st December 1875

The Subscribed Capital (of which £50,000 has been paid up) amounted to	£250,000
The Reserve Fund to	25,000

And at same date

The Deposits amounted to	£795,111
The Loans on Heritable Security to	867,504

LOANS.

Loans are granted on Security of Land, Houses, and other descriptions of Heritable Property.

The Loans are repayable in periods of from four to sixteen years. If desired, *part only* may be made repayable by instalments—the remainder bearing interest, payable half-yearly.

Borrowers, by arrangement with the Directors, can pay off their Loans at any time, either in whole or in part; or the period of repayment can be altered to one more suitable.

LOANS.

This Company advances money on the security of Heritable Property. Advances are repayable by different modes to suit the convenience of Borrowers, and within such number of years as may be arranged. A portion of the amount may remain as a permanent Loan.

INVESTMENTS.

Debenture Bonds are issued for sums of £100 and upwards, bearing interest at from $4\frac{1}{4}$ to $4\frac{1}{2}$ per cent.; and money is also received on Deposit at from 3 to $4\frac{1}{2}$ per cent., according to the period it remains.

SECURITY.

The whole Funds, including the monies received on Debenture and Deposit, are lent out on Heritable Property under the advice of the Company's Surveyor, every Loan being carefully considered by the Board of Directors. The sum lent is in all cases considerably under the market value of the property, and the margin is always increasing, as the Loans become immediately repayable by instalments. Investors with the Company are therefore in effect lending on the security of carefully selected Heritable Bonds, while in addition they are protected against the possibility of loss by the Uncalled Capital of £162,000, and a Reserve Fund of £10,250.

## HARVEY HILLIARD,

Patentee and Sole Inventor of 'THE LOCKFAST HANDLE TABLE KNIFE,'

7 NICOLSON STREET, EDINBURGH (*two doors from the University*).

SEE ENGRAVING, which illustrates the principle of the Invention. The tang of the knife is barbed at right angles, and the bore of the handle being suitably grooved to admit the barb, the tang can be slipped down transversely into the bore; the blade being then forced round to its proper parallel position with the handle, the barb becomes embedded into the solid ivory, and the handle and blade are thus invisibly locked fast together so securely as to resist the possibility of loosening from frequent immersion in hot water, or from any severity of usage they may be subjected to.

HILLIARD'S IVORY 'LOCKFAST' KNIVES are specially distinguished for high-class quality, strength, and elegance, in testimony of which they were adjudged a Prize Medal at the Great International Exhibition.

FOR DRAWING LARGE CIRCLES,

**R**ECENTLY invented, can be instantly fitted with any round or oval pencil, drawing or writing pen, colour brush, chalk, or charcoal, or pen-knife for cutting out circles upon paper, without any preparation whatever.

*Engineering* of 18th February says it 'ought to find favour with every Draughtsman, whilst its extreme cheapness is an additional advantage.'

*The Ironmonger* of 1st February says it is 'a simple and ingenious contrivance, of great utility to Architects, Metal Plate Workers, Engineers, and many others who require to draw large circles.'

# FORESTER'S COMPOSITION FOR PRESERVING TREES FROM VERMIN.

THE Consumer should be made to understand that these PAINTS are no newly-invented Quack Paint or so-called Composition, but a first-class quality of Paint (prepared ready for use) of the customary kind, possessing such covering and drying qualities that the most inexperienced person can use them with confidence that satisfactory results will be obtained. They are vastly superior to anything else sold.

They are vastly superior to anything else sold. They will go nearly twice as far as the inferior kinds generally sold, will dry *hard* and *glossy* within EIGHT HOURS, and are packed in 1, 2, 3, 4, 5, 6, and 7 lb. hermetically-sealed Canisters, to ensure their reaching the Consumer as fresh as when first made, and be opened and used at his pleasure.

To render it still more serviceable to the general public, the Proprietors have invented and patented a Caulster which can be opened with the finger and thumb, without the aid of a Key, Knife, or any tool whatever, thus *completing* its usefulness and convenience.

It is necessary, therefore, for Purchasers to satisfy themselves that each Package is labelled LUNDY'S 'HOUSEHOLD' PAINT or VARNISH, and JOHN J. LUNDY & CO., LEITH, stamped on the Canisters and moulded on the Bottles, with the above Trade Mark, as, like every article that has established character in public esteem, it is immediately surrounded with inferior imitations.

## DANIEL MACKAY & CO., CAMERON BANK, NEWINGTON, EDINBURGH,

**H**AVE been employed as GARDEN ARCHITECTS in the various methods of designing and laying out KITCHEN and FLOWER GARDENS, PLANTATIONS, CARRIAGE DRIVES and other WALKS, and PLANTING SHRUBS and TREES, over a period of Twenty-five years.

D. M. & CO. having acquired some experience, and having devoted considerable time during this long period to both Theory and Practice in the above vocations, are prepared to undertake the commands of any party requiring their service.

D. M. & CO. having found much difficulty in cases of planting to procure handsome Shrubs and Trees, resolved, in 1865, to grow those Plants, with the view of meeting the exigencies of their own Trade specially, have now succeeded in raising a small select Stock of Shrubs and Trees, thoroughly trained and frequently transplanted, which, for health, symmetry, and size, can be favourably compared with similar Plants in similar situations over Great Britain.

D. M. & CO. have great pleasure in recommending these Plants to all Parties about to Plant. Those who may be disposed to inspect the Stock will find representatives of nearly all the Hardy Evergreen Shrubs worth cultivating.

**HOPE PARK END HOUSE, EDINBURGH,**

**ASPHALT FLOORING** is highly recommended for Stables, Byres, Barns, Cattle Sheds, Granaries, Cottars' Houses, and all kinds of Farm Buildings, on account of its being the most effective preventative to the ascent and spread of Damp, its complete exclusion of Vermin, its neat and cleanly appearance, its durability and cheapness in comparison with other descriptions of flooring and pavement, and its healthy and disinfectant properties. While it effects a great saving, by the exclusion of rats and smaller vermin, owing to the close texture of the composition, without seam or joining, it keeps the Grain in a sweet state, from the entire absence of damp or moisture; and wherever the Asphalt Flooring has been used, it has fully realized all the benefits held out by its adoption.

"When the sun shines, be advised to carry an Umbrella; when it rains, do as you like."

"The value of a thing is best known by the want of it." This is especially true of an Umbrella.

AFFLICTED UMBRELLAS.

ILLUSTRIOUS WAYFARER,

Do you rejoice in the possession of an athletic Umbrella? Inasmuch as it is a provident investment, this is an important question. Or has the destroying hand of Time and usage reduced it to a condition of inutility and abandonment?—Is it dilapidated? Is it prostrate with a fractured rib, a dislocated neck, or a broken spine? Has any unexpounded calamity tended to debilitate its nerves, or paralyse its muscularia? Is it afflicted with a damaged crenated attachment, or a ruptured vericle convergentum? Has any visitation or paralysis arrested or destroyed the facile action of the motive power? Does there exist any manifestation of an abrasion, or inaccurate tension of the epidermis? Is the tippeous extension of the epidermis unimpaired in its attachment? Is the pedaneous extremity intact; or has prolonged attrition against terraceous substances reduced it to a state of stumpiferous deformity? Is the digitalial appendage without flaw or fracture? Is the occlude and expansive action uninterrupted? Is the octa-hegenous osseonsity insometrically angulated? Is its centrifugal rotundity deformed by depression, semicollapse, or protrusion? Is its polyhedral conformation correct? and its circumambient proportions adequate for personal conservation? Is it loaned, lost, levanted, misappropriated, or used up? Are its mineralogical, vegetable, and animal elements, still in combination? Or is it "ALL OVER WITH IT?"

Impassioned reader! if you are mentally embarrassed in the labyrinth of these inquiries; if your technical knowledge fails to recognise their logical applicability; suffice it, that for any contingency, ample provision is made at the far-famed

CAPITAL—£2,000,000.

Extract from the Board of Trade's Report, 2d July 1874.

'Taking Insurance business as it exists in this country, the public cannot be misled if, when seeking an office in which to effect an insurance, they select one which transacts its business at a small percentage of working cost, and does not anticipate its profits.'

THESE TESTS ARE ENTIRELY FULFILLED BY THE ROYAL INSURANCE COMPANY,

The Report itself showing that of all the English Provincial Offices and all the Scotch Offices the *Royal's* Ratio of Expenses to its Premium Income is the Lowest, and the Company having never anticipated a single shilling of Profit.

Extract from the 'Times' of 24th July 1874.

'On the whole, it would be safe for the father of a family, contemplating the Insurance of his Life, to select one of the offices with a Large Life Fund, a Small Expenditure on Management, and a Rate of Interest ranging from 4·2 to 4·5 per cent.'

'THE ROYAL'

Entirely meets the whole of these requirements:—

Its Life Fund is close upon Two Millions sterling; its Expenses are Lower than those of any other English Provincial Office, and of any Scotch Office; and its Rate of Interest is 4·4 per cent.

LIFE FUNDS,	£2,000,000
RESERVE FUNDS, over	1,000,000
PAID-UP CAPITAL,	289,545

**TOTAL ACCUMULATIONS EXCEED £3,300,000,

'We have examined and counted every Security, and have found all correct and in perfect order, and that the present aggregate market value is in excess of the amounts in the Balance sheet.'—*From Auditors' Report, July 21, 1875.*

'As evidence of the care exercised in the investment of the Life Funds, it may be mentioned that they have never been reduced a single penny by bad or doubtful securities.'—*From Chairman's Speech at Annual Meeting, August 7, 1874.*
